

Fund Raiser Car Wash for Stroke Awareness and Prevention on Saturday, September 4th, from 10am-3pm at Nesconset Center for Nursing and Rehabilitation, 100 Southern Boulevard, Nesconset.

Please join us and have your car washed for a good cause, and support **Stroke Awareness and Prevention**.

WHAT IS A STROKE?

- A Stroke cuts off vital blood flow to the brain.
 - In the United States, Strokes are the third leading cause of death.
 - Strokes kill 160,000 people each year, and is the leading cause of adult disability.
 - Approximately 750,000 strokes will occur this year, however 500,000 of those can be prevented!
- Stroke can happen to anyone, at any time, regardless of race, sex or age.
